

**FACT SHEET**  
**Texas School Based Tobacco Prevention Program, Texas Prevention Training System (TPTS),**  
**Southwest Prevention Center (SWPC)**  
**Project Toward No Tobacco Use (TNT)**

The Southwest Prevention Center is pleased to have been selected as a vendor by the TEA for the Texas School Based Tobacco Prevention Program (TSBT). The following is an overview of SWPC, TNT and how we will work with you to implement TNT:

About Us:

- The Southwest Prevention Center (SWPC), part of the University of Oklahoma's College of Continuing Education, has been an ongoing, well known, high quality prevention services provider in Texas & the Southwest region for over twenty years
- Our Mission is to provide quality prevention education, training and technical assistance, materials, and evaluation services
- Our TSBT goal is to expand the capacity of ESC's and classroom teachers to implement TNT in grades 4 – 12, meeting the TEKS objectives for each grade and domain
- Key Contacts are Julie Stevens, Joe Wiese, Debbie Blasiar

About TNT:

- Is an evidence-based approach designed for grades 5 – 9
- Designated as an Exemplary/Model Program by US Dept of Ed and SAMHSA/CSAP
- Used in a successful Pilot Project in four East Texas Regions

Through the US Department of Education's Safe and Drug Free Schools and Communities Southwest Regional Center and through the Southwest CAPT, we have provided services to Texas and the ESCs for twenty years. We know many of you and hope we can continue our partnership to bring effective tobacco prevention services to your region.
